# THE DRIVING FORCE BEHIND AUTOMOTIVE ECOSYSTEMS

## MISSION

To coordinate and promote discussions and research among members of the automotive ecosystem especially, but not exclusively, within the Southeast Asian region

## VISION

To become the primary collaboration platform for the regional and national automotive community, including the educational and industrial sector, in Southeast Asia

- ★ **TO PROVIDE** a **common networking platform** for the different stakeholders within the automotive ecosystem in the Southeast Asian region and Europe, with a strong focus on increasing university-business cooperation
- ★ **TO PROVIDE** a platform for **information exchange** and **professional development** opportunities among the members of the Southeast Asian regional automotive community, hence leading to increased employability of students
- ★ **TO PROMOTE** **knowledge sharing** and **discussions** of current developments related to the automotive field, especially towards CO2-reduced mobility
- ★ **TO PRODUCE** and **disseminate essential information** regarding general issues as well as hot topics in the automotive field, to serve as a knowledge transfer platform for interested engineers and experts all over the world
- ★ **TO ORGANIZE** **activities** related to automotive and mechanical engineering, such as research collaborations, professional consultations, academic conferences, training courses and competitions, to **strengthen cooperation**
- ★ **TO ENCOURAGE** more **communication** and **discussions** among the members of the network

# MEMBERSHIP BENEFITS

- ★ Enhanced opportunities for sharing knowledge, fostering national/international collaborations
- ★ Improving the dynamics of the collaborative relationships between academia and the industry through research collaboration of research or activity organization
- ★ Developing essential career development skills and practical know-how in automotive fields
- ★ Getting updated information on emerging developments in the automotive industry
- ★ Full access to all featured contents of the network's website platform
- ★ Promotional rates for events and programs organized by the network

# ACTIVITIES

- Training
- Cross-border Conferences
- Joint Publication
- Forums and Seminars
- Student Competitions
